# Notes from the boss.....

Three home games on the trot, starting with the visit of Huddersfield today, will give us all the spur we need to keep our confidence high for the run in to the end of the season.

Knowing we are going to Wembley is an incentive in itself and will be sure to keep everyone buzzing - but you can't beat the sort of pulsating atmosphere and the warmth of the appreciation we had here the other night for the Port Vale game.

The football the lads played that night, urged on by the supporters, made me extremely proud.

The only thing that annoyed me was that once again we didn't get the reward we deserved for our dominance of the game. It's that little word "if" again but that unbeaten run of ours could have been all the more impressive if things had gone our way and we'd managed to win games we ended up drawing.

I can think of four in particular - Port

Vale, Fulham, Southend and Mansfield, which netted us four points in total when we should really have had 12. That little bit of good fortune, which on balance I believe we simply haven't had this season, can make all the difference in turning a one pointer into a three. In the end I'm just pleased that everyone in the dressing room is showing me that they want to be winners. They were truly sick that they didn't beat Port Vale.

One man who continues to play his part here at Burnden Park is Mark Came. He hasn't been involved in the games of course but he is progressing very nicely and is always around with his encouragement. Camey sees the specialist on May 11th and, all being well, he'll get some work in at Lilleshall during the summer.

Before that he'll be down at Wembley with us as a vital member of our squad.

## HUDDERSFIELD

Huddersfield Town were formed in 1908, being elected to the Football League two years later and undoubtedly their most successful period came in the 1920's. After gaining promotion to Division 1 and losing in the F.A. Cup Final in 1919-20 they won the Cup in 1922 and then became the first team to win the League Championship three years in a row (1924-26). They also came second in the following two seasons and lost two more F.A. Cup Finals, in 1928 and 1930.

### UNCHANGED DEFENCE

Relegation in 1952 was followed by immediate promotion with the remarkable record of keeping an unchanged defence throughout the whole season. They fluctuated between the top two divisions for the next 20 years, winning the Second Division title in 1970 under the command of Ian Greaves. In 1973 they fell to Division 3 for the first time and dropped into Division 4 in 1975 before beginning their comeback with the Championship in 1980, a campaign in which they scored over 100 goals.

They gained promotion to Division 2 in 1983 and remained there until last season when they finished bottom to return to the Third.

# MATCH REPORT

Port Vale came to Burnden in a cock-a-hoop mood and looking for three points as they chase an automatic promotion place that would see them in Division Two next season.

Previous meetings this season in Cup and League had produced exciting entertainment for the fans with Vale slightly having the edge come final whistle and suitably labelled Bolton's 'bogey' team. That 'bogey' instinct continued last Tuesday.

With both teams using the full width of the pitch there was much to be seen that was a credit to football and Wanderers in particular producing early season form which was a joy to watch. Bolton's confidence was boosted as early as the 18th minute when Jeff Chandler pounced on a mistake by Vale's full back Darren Hughes to put Wanderers in front. That was Chandler's first goal in a year and sparked the player into some fine right sided attacking flank play which was a familiar sight to Wanderers fans up to his injury now 20 months ago.

The second period belonged to Bolton, as well worked build ups and counter attacks kept the 5,296 spectators on their toes and it was a combination of desperate defending or squandered chances that prevented Wanderers capitalizing even further on their one goal advantage.

Opportunities fell to Chandler, Morgan and Thomas as they got themselves into goalscoring positions but these were squandered by some poor finishing. Ever-present Dave Fellgate was virtually a spectator, being only called upon occasionally to break up Vale's threatening counter attacks. With time running out Vale seemed to have given up

when the 'bogey' instinct once again prevailed. A cross from Simon Mills fell to hard working Darren Beckford who sent his attempt goalward. Fellgate valiantly blocked the shot and the rebound fell to Robbie Earle to tuck away a late, late equalizer.

At the end of the day that point shared could prove to be invaluable to Port Vale, since Sheffield United had slipped up badly at Bramhall Lane to Mansfield who grabbed all three after winning 2-1. Play-off hopefuls Fulham finally doomed Aldershot to Fourth Division football next term after a 2-1 away win.

## THE MID-WEEK INTERNATIONAL SCENE

England took a step nearer to a World Cup qualifier when new look Wembley opened its doors on Wednesday night.

A superb England performance saw them finally overwhelm Albania 5-0 in front of 60,000 spectators.

The Albanians had taken the bold step of introducing 17 years old 'keeper Blendi Nallbani for this important clash and England manager Bobby Robson was looking for a goal glut to boost his side's goal difference. It took Gary Lineker only 5 minutes to set the ball rolling, heading in the first from close range. Liverpool's Peter Beardsley, playing his first competitive game after the Hillsborough disaster added a second after 11 minutes. Captain Bryan Robson missed four opportunities at getting himself in good positions before Waddell, Beardsley again and substitute Paul Gascoigne completed the 5-0 rout.

### FOOTBALL IN THE COMMUNITY

January '89 the C.P. scheme was transferred to the E.T. scheme, this still operates at Burnden Park, this scheme operates as did the C.P. and is proving very successful.

Each club consists of a Supervisor and eleven trainees who are qualified in different sports activities and the overall aims is to improve the image of Football in the Community.

Over the last year, we have organized Football Coaching and other sports, with the unemployed-Mentally Handicapped-Narcro young offenders and all schools who wish to participate, we also organize tours of the ground, Match-Day visits, O.A.P.'s Mat-Bowling, 5-a-side competitions for male and females.

In the coming year, we will hold more competitions, we will go into the schools with different kinds of sports to offer and of course arranging more competitions. If the schools or sporting organizations, O.A.P. clubs or Homes, the Ethnic minorities, require further detailed information, please would you contact Supervisor, Gary Pierce. My telephone number is 0204-399192 or at the address given below. I look forward to hearing from all who are interested.

Mr. GARY PIERCE  
FOOTBALL IN THE COMMUNITY  
BURNDEN PARK, BOLTON BL3 2QR.

.....

Dear Sirs,

Can you please feature Stuart Lee in your "Where Are They Now" item in the programme. Stuart was my favourite player whilst at Bolton and after going to 'City' I know he went to America, but from there I've heard nothing about him.

Ta very much.

Bridget Tonge. (Westhoughton)

REPLY

*Thanks for your letter Bridget. We have been trying to locate Stuart ourselves but at present have been unsuccessful.*

*If anybody knows the whereabouts of Stuart Lee, please let us know and we will try to contact him.*  
G. Porter (Programme Editor)

Dear Nat,

Firstly, as keen Wanderers supporter, I would like to congratulate everyone concerned on the success in the Sherpa Van Trophy.

The reason for my letter is my Grandfather, who has seen every single Bolton appearance at Wembley (1923, 1926, 1929, 1953, 1958 & 1986). I don't know if there are many still around who can match this feat but I personally feel that he deserves some sort of recognition.

He was fourteen years old when his Dad took him to the 'White Horse' Cup Final and now at eighty he says that he might be too old to attend this year's game, but he's still as fit as a fiddle and I'm sure that he'll be booking his ticket as usual when they come on sale.

I was going to contact the Evening News first of all but I thought that I'd give someone involved with the Club the opportunity of showing due appreciation to one of it's most die-hard followers.

Yours faithfully,

Philip Howe. (Farnworth)

EDITOR'S REPLY

*Can anyone match this achievement?*

### THE HAPPY WANDERER

Come the final game of the season at Northampton. Wiltshire born Wanderers fan Max Carter will have watched his idols on all of the 92 Football League Grounds. It's taken him 30 years to reach this achievement and a countless number of travelling miles, some 200 in a round trip from Devizes just to cover a home game. He recalled, "I once travelled 1,200 miles in a week to cover two games. I went to Sunderland and then returned for an F.A. Cup replay against Spurs at Burnden Park." Of the most outstanding game he remembered an F.A. Cup game at Southampton in the early '70s, when the score at the Dell was 3-3 and Bolton won the replay 2-0.

Another classic was a League Cup game at Derby when the Wanderers won 2-1. "Morgan and Whatmore scored for us and Charlie George for Derby", he recalled.

Some of the clubs he has watched have now lost their League status; such as Southport and Newport. But Max has travelled to Scotland, Isle of Man and Germany just to cover pre-season games! He concluded, "My ambition was to watch them at Wembley and now I've done that. All that's left now is getting a game!"

# DAYS GONE BY

## 5 YEARS AGO: 5th May, 1984.

Bolton returned North still without a win in London for more than five years after a 3-0 reverse at Millwall. The Wanderers paid the penalty for an error by Jeff Chandler in only the third minute which allowed Anton Otulakowski to flash the ball across for Dean Neal to sidefoot into an open goal. In the 19th minute Neal scored with a fierce drive after collecting a long clearance from Dave Cusack and in the 71st minute he completed his hat trick with a carbon copy goal. Bolton signed Mark Came from North West Counties side Winsford United.

## 10 YEARS AGO: 17th May, 1979.

A crowd of 35,200 at Burnden saw Liverpool collect the points with a 4-1 win. The margin could have been greater and while David Johnson's opener was a scrappy affair the two second half goals from Ray Kennedy interspersed by one from Kenny Dalglish were real gems. The Wanderers goal came in the 63rd minute when Graeme Souness put through his own net to peg the score back to 2-1.

## 15 YEARS AGO: 27th April, 1974.

An 86th minute goal from Ken Knighton gave the kiss of life to Sheffield Wednesday's hopes of avoiding relegation to the Third Division. Bolton looked to have earned a point in their last game of the season and the Hillsborough crowd were silenced when Alan Waldron netted only to have the effort disallowed for offside.

## 100 YEARS AGO: 1st May, 1889.

The Wanderers won 4-2 against Blackpool in a game played at the Royal Palace Gardens. Bob Howarth and Fred Dewhurst of double winners Preston guested for the Wanderers whose goals came from Kenny Davenport, Jim Brogan and a couple from Alec Barbour.

**4th May, 1889.**

Bolton went down 1-0 to Sunderland Albion on Wearside whilst the Reserves qualified for the final of the Bolton Charity Cup by defeating Kearsley 4-0.

## *THE CARING FACE OF FOOTBALL*

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

This year, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. 1989 will see further initiatives including new and better toilet facilities and additional enclosures for family support.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives £4.5 million from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers and spends it on schemes to improve standards at British football stadia.

# RESERVE AND YOUTH NEWS

26th April, 1989.

## Bolton Wanderers Reserves 4 - 1 Grimsby Town Reserves

Bolton Reserves got back on the promotion trail with a resounding 4-1 victory over Grimsby Town at Burnden.

After two successive defeats the Wanderers had to win this one to fight off the challenge of the chasing clubs and they got off to a flying start.

With just over a minute played Mike Jeffrey stooped to head the Wanderers' first goal from a left wing Ian Callaghan corner.

Four minutes later his striking partner Ian Stevens hit Bolton's second with a shot from close range.

The Grimsby defence were at sixes and sevens after this spell and Bolton made the most of the advantage to virtually secure the points after half an hour.

In the 11th minute both Stevens and Jeffrey combined for the third goal. Stevens outpaced the Grimsby defence down the right to pull the ball back for Jeffrey who evaded a challenge before scoring.

On the half hour Jeffrey netted again, this time capitalising on some sloppy defensive play, to register his hat trick.

Both Stevens and Jeffrey have now scored 16 Central League goals this season and it should be interesting to see who comes out on top.

The second half saw the Wanderers well on top but unable to create any clear cut scoring chances. The nearest they came was in the 72nd minute when Roy Litherland hit a post with a twenty yard shot.

Eight minutes from time Warhurst struck Grimsby's consolation goal with a volley from the edge of the area.

TEAM: Gray, Spooner, Holmes, Litherland, Stubbs, Neal, Henshaw, Callaghan, Jeffrey, Stevens, Storer.  
Subs: O'Brien, Fisher.

On Wednesday evening the Reserves travel to Stoke City for a promotion clash and have yet to visit both Oldham and Bradford City.

# SAFE HANS

Well, May has finally arrived and with it the end of the season. Of course we still have two more home games after this afternoon and the Sherpa Van Final at Wembley to look forward to, but the end of the road is in view. If at the start of the season a trip to Wembley and a respectable spot in the Third Division would be achieved then most supporters would have been satisfied with that; of course it looked very promising with that bright opening to the season. But injuries and an indifferent spell from the lads put paid to any thoughts of winning promotion for a second year.

During the summer months, hopefully the squad will be strengthened even further and come August the emphasis will be to achieve promotion to the Second Division. The team has proved that it can match any team in the Third Division on it's day and if the gaffer can make any more shrewd signings like last summer's recruits - Phil Brown and Barry Cowdrill - then we can all look forward to the start of next season with confidence.

The importance of a successful youth policy has again been proved this season down here at Bolton Wanderers. Both Julian Darby and Mark Winstanley are products of that youth policy here at

Burnden and both have had quite outstanding seasons. To say they are both smashing lads is an understatement, they are a credit to their profession and none are prouder to wear the white shirts of Bolton. Mike Jeffery has already shown tremendous potential in breaking into the first team at just 17 years of age and two or three more of the younger lads are now knocking on the first team squad's door.

Turning towards today's game with Huddersfield, it gives us the opportunity to do the double over the Yorkshire side. Back in November a Trevor Morgan special was enough to secure us the points and it would be nice if this big man could get in on the act today and secure another win for the Whites. Eoin Hand, the Huddersfield manager will of course be going out to motivate his lads to gain revenge, so today's clash looks like being a very interesting encounter.

On closing today, it's good to see Mark Came fighting his way back to full fitness; Mark has been pushing himself all the way since his broken leg injury last September and has spent countless hours in the gym. He is one of the most popular players at the Club and his return, be it at the beginning of next season, will be very popular with the Burnden faithful.

## RECOLLECTIONS

Huddersfield Town make their first Third Division appearance at Burnden today and their first in League football since January 1970.

The Yorkshire sides first eight visits to Bolton in the League all ended in defeat, no mean feat in the days when Town ran up three consecutive League championship successes between 1924 and 1926.

In November 1923 a crowd of 17,630 saw the famous Wanderers goalscoring trio of Joe Smith, John Smith and David Jack net a goal a piece before Wilson netted Huddersfield consolation in the last minute.

A year later a closer encounter saw Joe Cassidy's 29th minute goal decide the issue in Bolton's favour whilst in December 1925 the Wanderers ran up a 6-1 scoreline against the Champions elect. Moreover, in this game they came from behind to win, with Brown giving Town a fourth minute lead. Billy Butler equalized and a couple of goals from each of the Smith's and one from David Jack completed the rout.

Bolton went one better on New Year's Day 1930 with a 7-1 success over Huddersfield at Burnden, this being the largest winning margin in games between the clubs.

During this period the Wanderers also had the upper hand in Cup ties between the sides with success in 1923, 1925 and the 1929 semi-final at Anfield. Indeed Bolton have never lost a Cup tie to Huddersfield with the last encounter being in 1976 at Leeds Road when Peter Reid scored the only goal.

Town's last League visit in January 1970 resulted in a 1-1 draw in the Second Division game. The Yorkshire side, who were League leaders at the time, took the lead through Jimmy McGill before John Byrom equalized with his 100th first class goal. Terry Poole and Frank Worthington, later to play for the Wanderers, were in the Huddersfield side that day.

Earlier this season a Trevor Morgan goal gave Bolton their first League victory at Leeds Road since March 1952.

Our overall League record against Huddersfield is as follows:

	Pt	W	D	L	F	A
Home	33	20	6	7	69	35
Away	34	7	6	21	26	46
Total	67	27	12	28	95	81

## A REVIEW OF NATS INTERNATIONAL CAREER

SCOTLAND I v ENGLAND I

No. 30

30th April, 1956.

When England face Scotland at Hampden Park and a 134,000 crowd is banked up to the skies around this vast natural bowl, all thoughts of the Hungarians, Uruguayans, Brazilians and other masters of the modern world game recede into the dark shadows.

Here is a gathering of the clans, and whether the match be good or bad, Hampden on this day is always a sight to remember. The Scots certainly will remember this particular Saturday. Not since 1937 had they beaten the English invader on their native soil in the International Championship.

And now, after a lapse of 19 years they looked victory in the face, only to find her sweet countenance turned away at the very last second. It was a cruel turn, with the last minute already ticking away, Haynes arose to crash the ball home to save England in the nick of time.

So for the first time in the history of British International Championship England, Scotland, Wales and Ireland hold hands in sharing the title.

On balance, Scotland made only two real chances during the afternoon. The first came on the quarter hour when Johnstone sent Reilly between Wright and Byrne only for Matthews to make a wonderful diving save low down. The fact that the Third Division 'keeper was caught napping later when Scotland turned their second and last chance to account was not wholly his fault.

Scotland took the lead on the hour. Johnstone began the attack down the right, the ball moved to McMillan and then on to the long legged Hewie who advanced daringly up the left flank to make the man over. His centre

was touched on by Smith and there was Leggat, now in the middle, to lob the ball over a crowd of players and just under the English crossbar.

Matthews, advanced from his line, was caught out but had not Leggat partly miss-hit his shot it probably would never have been a goal.

England then brought a bite and sense of urgency to their game with a stream of corners being won from a hard pressed and tiring Scottish defence. Younger made two great diving saves from Taylor and Haynes struck the post with only Younger in front of him.

With the last seconds ticking away the proud increasing roar told of a Scottish victory at long last. Now in a desperate final lunge Byrne came up beside Perry in attack. The ball was put across by Byrne to Taylor's head and there was Haynes to flash in a downward nod from some 12 yards.

England were saved and Hampden was silent as the grave.

# WHERE ARE THEY NOW

## **GARY PIERCE** *ex Huddersfield & Wolves*

Even though 'keeper Gary Pierce made his footballing name out of Lancashire, his roots lie within the county and there's an unusual link with Bolton.

He was on the Wanderers books as a young lad playing in the 'A' and 'B' teams but when he was released it was only a temporary downward step for it was whilst playing for non-league Mossley that he was spotted by the then Huddersfield manager, Ian Greaves.

Gary said, "Ian paid £5,000 for me so you can say he started my professional career off. I found him to be a very good manager and with little money available he built up a good side."

Huddersfield supporters will recall the names of Frank Worthington, Trevor Cherry, David Lawson who went to Everton for £65,000 and Ray Ellam who went to Leeds.

Gary remembers his Huddersfield debut well. He said, "It was at Newcastle who had just beaten Liverpool 3-2 which featured the famous Malcolm McDonald hat-trick. It was a far cry from the 300 faithfuls I'd been used to playing in front of at Mossley - there were 48,000 on that day. But the lads looked after me well, we drew 0-0 and I enjoyed it particularly having kept a clean sheet."

After 2½ years at Leeds Road, Huddersfield were sadly relegated and Gary moved to Wolves in a £45,000 deal and that wasn't bad business.

During his spell at Molyneaux, Wolves won their way to Wembley for the 1974 League Cup Final to face star studded Manchester City. Gary recalled, "My appearance against City coincided with

my 13th game for Wolves and my 23rd birthday, so it's a good job I'm not superstitious." He well remembers the City forward line that day - Denis Law, Francis Lee, Colin Bell, Rodney Marsh and Mike Summerbee. But Wolves won 2-1 despite no one giving them a chance. Gary said, "We deserved to be up at half time but in the second half we got murdered. Colin Bell equalized and then hit the bar as well, but with 8 minutes to go John Richards scored and it was the longest 8 minutes of my life."

Gary recons the Bolton players will enjoy their forthcoming visit to Wembley, in walking from the tunnel to the roar of the crowd and going up the steps to the Royal Box.

Nowadays Gary Pierce resides in the Bolton area and is supervising the P.F.A. Community Soccer Scheme. He said, "We have 10 trainees who go out to schools and teach them various aspects of the game and how to behave at matches. We also work with local O.A.P.'s organizing tea parties, bowling competitions and suchlike." He has been working from Burnden Park for the last 3 years and all the Lancashire Clubs are involved in the scheme.

Before closing Gary spoke of an important Bolton v Wolves encounter at Burnden. He said, "We won the Championship here with a disputed Willie Carr - Kenny Hibbit free kick which was claimed to be offside. Bolton however joined us in Division One the following season and I was pleased for Ian Greaves and his players."

# Personality Profile.

Today we feature two more of the YTS youngsters in our series of Personality Profiles.

**ALAN STUBBS**

Born in the Kirby district of Liverpool, Alan attended Roughwood Comprehensive School where he was captain of the school team. Midfield was his position in those days, and it was in that roll that he also represented Kirby and Merseyside Schoolboys. Scout Harry Parkinson soon spotted potential in Alan and he was invited down to play for the Wanderers Under-16 side on Sundays, with that leading him onto being signed for the Wanderers at Schoolboy level. From there he was offered a 2 year YTS apprenticeship and he joined the Club last July to start that. He quickly made an impression in the 'A' team and scored the goal for the Youth team that secured his side a replay at Huddersfield in the F.A. Youth Cup; he recalls that game, "It was the first time I had played up front and I managed to slide the ball in at the near post."

Alan has recently established himself in the Reserve side, with him being an ever present since. He is a versatile player who is equally effective at centre back or in midfield, and had a fine game in the L.F.A. Cup tie against a strong Manchester City team in which he was the pick of the Bolton Youth side. He names his dad Ronnie and mum Doreen as big influences on his career so far as well as the coaching staff down here at Burnden Park. In his spare time he likes to play all sports, especially snooker and his highlight in his young career so far was scoring a goal at his beloved Goodison Park in a game for Kirby Schoolboys. He has already been put on standby for the first team and it cannot be too long before his chance will come.

**KEIRON HUGHES**

Born in Manchester, Keiron attended a rugby playing school, St. Ambrose Grammar School, so it was left to playing football for a Sunday League team - Flixton Juniors. He represented Trafford boys and it was there that he was spotted by Wanderers' Scout Harry Parkinson. Keiron was a natural goalscorer as a Junior, once scoring 11 goals in one game in a 21-0 victory. He was signed on Schoolboy forms, representing HB Wanderers Under-16 side on Sundays. He then signed a 2 year YTS with the Club, starting it last July. He has done well for the 'A' team this season, leading the attack and has recently been sub for the successful Central League team five times but he is still waiting to get in on the action.

He named dad Mike and mum Ann as influences on his young career so far, as well as of course the BWFC coaching staff. Keiron likes to play any sports as well as listening to soul music; when he gets the chance he likes to go down and watch Manchester United, his schoolboy favourites.

For a lad who once scored over 100 goals in a season for Flixton Juniors, Keiron has a natural talent for finding the back of the net, a talent that we all hope will eventually lead to the first team. One unusual story Keiron gave us was that as a young lad, aged 9, he got his name on the Wembley scoreboard 'as a lost schoolboy on Wembley Car Park' when he was there attending an England Schoolboys match with a party from Flixton Boys.
